

VCI Advisory Committee Meeting

November 25, 2008

Present: Sidney Turner (Nottoway Tribe of Virginia); Reggie Stewart (Chickahominy)

Absent: Jerry Fortune (Rappahannock); Pam Talbott (Monacan); Gerald Epps (Sappony); Arlene Giffel (Upper Mattaponi)

Reggie Stewart and I met in the 5th Floor West Conference Room, General Assembly Building, Richmond on November 25, 2008.

We chose March 28, 2008 as the date for the Conference. This date was chosen because it was more in line with past conferences and a date in which the Chickahominy Tribal Center would be available. We discussed a Theme program and possible speakers. We also discussed the possibility of corporate sponsorship.

We plan to schedule the next meeting for December 9, 2008 and to meet every other week if necessary until the conference.

The meeting was adjourned approximately 8:00 PM.

Sidney Turner, Chairman
VCI Advisory Committee
